

HIGHLAND RECORDER.

Terms, \$1.00 a Year in Advance.
 Issued every Friday evening by
H. B. WOOD,
 EDITOR AND PUBLISHER.
 Entered at the Monterey postoffice as
 second class matter.
 Monterey, Va., Friday, Oct. 21, 1904
 NATIONAL DEMOCRATIC TICKET.
 (Election: Tuesday, Nov. 8, 1904)
 For President:
ALTON B. PARKER, of New York.
 For Vice President:
HENRY G. DAVIS, of West Va.
 For Congress, 10th Congressional Dis-
 trict of Virginia:
HAL D. FLOOD, of Appomattox Co.

From the plains around Mukdon
 there comes a cry for peace which
 should touch the hearts of nations
 as well as individuals. It is not
 from the little yellow men in the
 field, nor the disappointed ranks
 of the Czar's big army, but the
 appeal has been heard in the death-
 gurgles of more than fifty thousand
 brave fathers, husbands and sons
 who answered the call to arms!
 And for what provocation, and to
 what end? We have not space to even
 try to tell, but ought there to be
 ANY grounds recognized as justifi-
 cable in the eyes of Christendom?
 There can be no intervention, we
 are told, and perhaps it is true in
 this instance, but will not the civil-
 ized world heed the mute, heart-
 rending appeal, and jointly decree
 that such scenes shall never be
 witnessed again? So mate it be!

A Mistake

The Staunton Spectator, always
 hungry for Highland news and
 quick to give credit where due, got
 badly mixed up last week, both as
 to localities and exchanges, and
 gives the Recorder credit for some-
 thing of which it knows nothing.
 The Spectator tells of a fatal ac-
 cident which befell Charles Biggs,
 of Richlands, Highland county,
 and gives details of the accident as
 given by the Highland Recorder.
 There is no such person or post-
 office in this county, nor has there
 been, to our knowledge, any such
 accident.

At Last!

Shame, rather than sadness, has
 been the overwhelming feeling
 when our people have gone to the
 Monterey cemetery heretofore. The
 neglect was not due to disrespect
 for the dead, but to the lack of or-
 ganization and the selection of
 some one to look after the work.
 The matter has been taken in hand,
 and, already the grounds present a
 much better appearance. After
 these are thoroughly cleared and
 dressed up, Mr. H. A. Slaven, sur-
 veyor, has offered to make a careful
 survey and blue print of the same,
 the only consideration asked being
 some one to assist him, and a suf-
 ficient number of stones or brick
 to mark the corners. Mr. Slaven
 insists upon this latter point, as
 the marking of corners with wood
 is unsatisfactory. The town can-
 not afford to let this generous offer
 go unimproved, and we hope the
 trustees will push the present work
 so that the other may follow
 promptly.

The people are not only willing,
 but eager to contribute, each his
 part, toward this improvement and
 a permanent system. Captain Ma-
 theny has agreed to furnish a list
 of lot owners, as nearly complete
 as he can, and, if assessment blanks
 are needed, the Recorder tenders
 them gratis. One dollar a year,
 or perhaps 50 cents, from each one
 interested, will keep the grounds
 in nice condition, and beautify and
 improve the approach.

Let the trustees select a superin-
 tendent who will keep the ball
 rolling. We urge it, not as an
 individual, but on behalf of all the
 people.

 Specialists were employed and many
 remedies used but relief and per-
 manent good was found only in the
 use of DeWitt's Witch Hazel Salve
 This is only one of the many cures
 that have been effected by this
 wonderful remedy. In buying
 Witch Hazel Salve it is only nec-
 essary to see that you get the gen-
 uine DeWitt's made by E C DeWitt

 certain. DeWitt's Witch Hazel
 Salve cures all kinds of piles, cuts,
 burns, bruises, eczema, tetter, ring-
 worm, skin diseases, etc. Sold by

ADDITIONAL NOTES

 corn.

 the guests of Mr and Mrs James
 Botkin near Doe Hill, Saturday and
 Sunday.
 Mr J T Botkin who has been in
 Bath for a week or two returned
 home last Thursday evening.
 Mr J McCray gave the young
 folks a party last Thursday—they

 There was a female tramp seen
 in the fields one day last week,
 carrying an old rusty corn cutter
 and cane. I guess she was hunt-
 ing work but the corn was all in
 shock, so she passed on.
 Mr G R Simmons was the guest
 of Mr E C Botkin last Sunday.
 This is my first letter and if I
 escape the waste basket I will come
 again. Hard Crab.

A Reader.

Can You Eat?

J B Taylor, a prominent mer-
 chant of Chriesman Texas, says:
 "I could not eat because of a weak
 stomach. I lost all strength and
 ran down in weight. All that
 money could do was done, but all
 hope of recovery vanished. Hear-
 ing of some wonderful cures ef-
 fected by use of Kodol Dyspepsia
 Cure I concluded to try it. The
 first bottle benefited me and after
 taking four bottles, I am fully
 restored to my usual strength,
 weight and health." Kodol Dys-
 pepsia Cure digests what you eat
 and cures. Sold by K H Trimble.

 I am pleased to announce that
 my new Hotel building is now

Pill Pleasure.

If you ever took DeWitt's Little
 Early Risers for biliousness or con-
 stipation you know what pill pleas-
 ure is. These famous little pills
 cleanse the liver and rid the sys-
 tem of all bile without producing
 unpleasant effects. They do not
 gripe, sicken or weaken, but pleas-
 antly give tone and strength to
 the tissues and organs of the stom-
 ach, liver and bowels. Sold by
 K H Trimble.

Mail Contracts:

Under a recent ruling of the
 Postoffice Department at Washing-
 ton contractors for carrying the
 United States mails, on star, steam-
 boat and screen wagon routes must
 be a patron of a postoffice on the
 routes, so as to give their personal
 supervision to the service.
 Another innovation is the free
 collection and delivery of mail on
 star routes, making practically
 rural free delivery service to the
 most remote sections.
 Advertisements for proposals for
 service in the first contract section,
 including Maryland, Virginia, West
 Virginia, Delaware, Pennsylvania,
 New Jersey and New York, have
 been circulated, and bids will be re-
 ceived at the office of the Second
 Assistant Postmaster General at
 Washington until 4:00 p. m., De-
 cember 1, 1904. Postmasters in
 these states have been instructed to
 furnish detailed information to
 prospective bidders.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the news-
 papers is sure to know of the wonderful
 cures made by Dr. Kilmer's Swamp-Root,
 the great kidney, liver
 and bladder remedy.
 It is the great medi-
 cal triumph of the nine-
 teenth century. It is
 covered after years of
 scientific research by
 Dr. Kilmer, the emi-
 nent kidney and blad-
 der specialist, and is
 wonderfully successful in promptly curing
 lame back, kidney, bladder, uric acid trou-
 bles and Bright's Disease, which is the worst
 form of kidney trouble.
 Dr. Kilmer's Swamp-Root is not rec-
 ommended for everything but if you have kid-
 ney, liver or bladder trouble it will be found
 just the remedy you need. It has been tested
 in so many ways, in hospital work, in private
 practice, among the helpless too poor to pur-
 chase relief and has proved so successful in
 every case that a special arrangement has
 been made by which all readers of this paper
 who have not already tried it, may have a
 sample bottle sent free by mail, also a book
 telling more about Swamp-Root and how to
 find out if you have kidney or bladder trouble.
 When writing mention reading this generous
 offer in this paper and send your address to
 Dr. Kilmer & Co., Bing-
 hamton, N. Y. The
 regular fifty cent bottle of Swamp-Root
 dollar sizes are sold by all good druggists.

BLACK - DRAUGHT STOCK and POULTRY MEDICINE

Stock and poultry have few
 troubles which are not bowel and
 liver irregularities. Black-
 Draught Stock and Poultry Medi-
 cine is a bowel and liver remedy
 for stock. It puts the organs of
 digestion in a perfect condition.
 Prominent American breeders and
 farmers keep their herds and flocks
 healthy by giving them an occa-
 sional dose of Black Draught Stock
 and Poultry Medicine in their
 food. Any stock raiser may buy a
 25-cent half-pound air-tight can
 of this medicine from his dealer
 and keep his stock in vigorous
 health for weeks. Dealers gen-
 erally keep Black-Draught Stock
 and Poultry Medicine. If you do
 not, send 25 cents for a sample
 can to the manufacturers, The
 Chattanooga Medicine Co., Chat-
 tanooga, Tenn.

ROCHELLE, GA., Jan. 30, 1902.

 Medicine is the best I ever tried. Our
 stock was looking bad when you sent

 getting so fine. They are looking 20

 us that nothing short of
 our own way of doing
 things right will build
